Taiping, Perak

3RD YEAR COMPUTER SCIENCE STUDENT

As a final-year Computer Science student, I offer a robust combination of technical expertise, adaptability, and strong collaboration skills. Thriving in diverse settings, I excel at quick problem-solving and effective teamwork. My passion for continuous learning and willing to travel aligns seamlessly with my commitment to make a positive global impact. Eager to contribute, I look forward to discussing how my skills and enthusiasm can enhance your team's success. I am seeking an opportunity for Internship Programme placement and available to start on :

5th August 2024 until 17th January 2025.
